WEEKLY WORK LOG

WEEK-1

PS442-COLLEGE-LEVEL CROWDFUNDING PORTAL FOR PROJECTS

Tasks:

- Planning and Initial Setup.

- Initial GIT repository setup with proper folder structure.

Individual Contributions:

1. Shripathi S P:

- Led the initial planning meeting to define the scope and objectives of the project.

- Drafted and finalized the scope document and shared it with the team.

2. Nishaanth R:

- Designed the initial folder structure for the GIT repository based on project requirements.

- Verified the folder hierarchy for compatibility with best practices.

3. Aashish A S:

- Set up the GIT repository on GitHub and configured access permissions for all team members.

- Assisted in ensuring proper branch naming conventions and created initial branches (e.g., main, development).

4. Sharath B:

- Conducted a review of the GIT setup and ensured all commits adhered to the commit message standards.

- Performed the initial commit with placeholder files and documentation templates**.**

Deliverables:

- Clear definition of scope and objectives.

- Proper GIT setup and initial commit logs.

- Repository structure uploaded and verified by all team members.
